

Project Expression: Representing Our Core Values Through Art Submission

Foothold Technology invites all provider agency service recipients to participate in an art contest series that will commemorate our company's core values. We would like to use this opportunity to share with you what makes Foothold Technology unique and to display the extraordinary skills and abilities of those you support.

Each submission must include:

- Image of the artwork
- A short description of how the art reflects the core value represented
- A short artist bio

Wall art should be no larger than 20×30 and weigh no more than 5 lbs. Sculptures should be no more than 1 square foot and should weigh no more than 10 pounds. The winner will be responsible to work with Foothold Technology to arrange shipping and award will be distributed once original artwork is received.

CONSENT TO USE PERSONAL INFORMATION

Applicants to Project Expression: Representing Core Values Through Art constitutes an agreement by the applicant to the use and distribution of the applicant's name and artwork by Foothold Technology.
